

Bertoia High Back Armchair and Ottoman

In designing The Bertoia Collection, Harry Bertoia was inspired to explore how industrial materials could be elevated into a more sculptural form. His resulting furniture collection was defined by its linear composition creates a visually light object with a graphically bold presence. Their wire forms were considered a radical departure from the typical wooden framed chairs of the time, and cemented his designs as true icons of mid-century design.

Key Features

- 1. Wire Frame Design**
Wire frames are made from steel rods individually hand-welded ensuring durability and quality, underscoring impeccable craftsmanship.
- 2. Relaxed Postures**
With its generous internal proportions and delightful flex in the wire frame, the Bertoia High Back Armchair supports users in more relaxed postures. Add the accompanying ottoman for enhanced comfort. Ideally suited for lounge and reception spaces.
- 3. Frame Finishes**
Frame Finishes are available in Polished Chrome, and Black or White Rislan for indoor use.
- 4. Upholstery**
The Bertoia High Back Armchair and Ottoman are only available fully upholstered in fabric.
