The collection combines a nuanced sense of proportion with exquisite detailing in Lissoni's signature refined aesthetic. KN01, a low-back lounge chair, features a curved silhouette and aluminum base. Its balanced proportions deliver a compact footprint and inviting form ideal for modern living, meeting and community spaces. KN02 is a high-back lounge chair that offers extended and neutral positions, suitable for a quiet refuge. Its smooth reclining mechanism as well as its soft, supportive seat and back adapt to different postures, providing a remarkable freedom of movement.
