TRAP

Designed by KAIA x GSL
2024

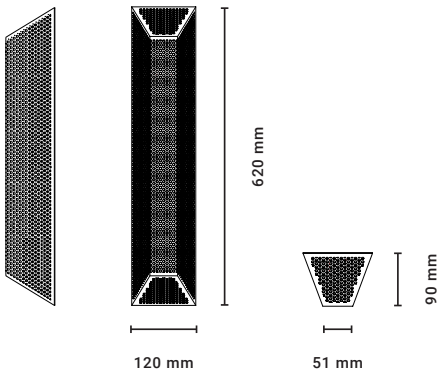

Born from the unique design of 'Empyrean', 'Trap' is a perforated, polished stainless steel sconce housing a KAIA classic, NEA. In oposition to its counterpart, 'Trap' encloses the warm glow of its LED lamp to provide a soft, indirect light source which is subtible for both internal and external aplications. It will be added to KAIA's eclectic collection items.
